DATA ROAMING NORTH SEA

subject: Skip-Telenor Maritime.

Her er det jeg nevnte om "piratnettet" til Telenor. Hvis telefonen ligger ombord med roaming på så blir det fort dyrt når email og sosiale media begynner å oppdatere av seg selv. Kanskje verdt et hint i neste års info? Det er jo mange som har roaming på nå som det er forholdsvis billig i EU.

Takk ellers for ypperlig arrangement.

Mvh
